

Resources for employers

A collection of tools and online resources to help you streamline your pension administration.

Pension Administration Link (PAL)

If you work directly with CAAT, you have access to PAL, our online portal for pension administrators. With one login you can simplify your pension related processes, create workflows and initiate member transactions. Stay tuned for new features as PAL continues to develop.

Employer education and updates

Whether you're new to pension administration or you just want to stay up to date, there's a webinar for you. Sign up for an education session on employee enrolment, contributions, data reporting, and more! Invitations will be sent directly to your inbox.

Employer newsletters

Employer newsletters feature regular updates on pension administration and new processes. Reminders about important events and deadlines keep you up to date, and industry trends keep you in the know.

Talent Recruitment Toolkit

The Talent Recruitment Toolkit is your sidekick in the marathon for talent. It's a flexible resource that lets you highlight the valuable pension benefit you offer, giving you a competitive edge in the hiring market.

Employer manual

The employer manual is your guide to pension administration at CAAT, giving you an overview of both DBprime and DBplus. The manual undergoes important updates regularly, so refer to it often for a variety of forms and resources.

To access all of these resources, and more, visit www.caatpension.ca/employers or contact your Employer PA.
